MENU

Parsley, bulgur, onions and tomato topped with lemon and our special Lebanese olive oil. Some simply call it tabbouleh. We call it bliss on a plate.

Here at Phoenician Restaurant & Lounge we offer an extensive, diverse menu packed full of Lebanese favorite's and contemporary dishes. Fried kibbeh, kafta, hummus, vine leaves, fattoush, lahm bi aajin, and zaatar. Mohamara, makanek, soujok, sawda, kastaleta and Lebanese Arak. A little piece of Lebanon on your table. High on flavors, rich in taste.

The raw mix plate or the grilled mix plate? We usually recommend them both!
